Dear Sir/Madam,

Freshwater Management
pty Ltd, took over managing our
Body/corp affairs, owing to ill
health of our existing manager.

I have found in the 12 to 15 months
period, they have handled our
affairs with courteous & business
consideration.

Having four units only, we
are a small Body/corp,
but Freshwater Management
looks after our needs where needed.

Yours faithfully (Unit owner)
Joan Gray
